

Mortgage 101 - OnCourse Learning

Great News! We have worked with **OnCourse Learning** to bring our NMS partner Credit Unions discounted pricing.

The 20-Hour Course is what you would take to become officially licensed. Though you are not required to do so, the course is a great foundational tool with valuable materials of reference for your Credit Union and your loan officers.

To Sign Up for a Course:

► [CLICK HERE](#) through the NMS link and consider saving it as a favorite on your PC.

After you complete the order, you will receive an email with receipt.
